Hi All,

Can we redirect the CARE team tomorrow to visit this site as our #1 priority? It's in Rampart Division but we need the teams to go tomorrow.

Please let me know, I've updated the sheet as well.

Hi Hector.

We have an issue on our private property to the rear entrance of our building. We have an encampment with lots of drug activity. Our officers are very concerned. We also have some activity on 3900 Oakwood. Can you please help.

Can you put us on the list to be visited by HOPE and LASAN. We have notified LAPD Rampart Division and they have been here in the past to deal with the drug activity.

Best,

Good afternoon Hector

Per our conversation, I was informed by LSD management that LASAN will stand down on its CARE/CARE+ operations beginning Friday, April 3, 2020. LSD will begin to assist with the hygiene operations at recreation centers across the City. I will keep you posted if operation will resume on Monday.
